

Alessandra Davoli

Managing Associate

Alessandra practices in the capital market sector advising banks, insurance companies and financial intermediaries in relation to banking, financial and insurance regulation profiles, commercial and corporate law, capital market operations and capital strengthening. She also deals with issues relating to investment services and transparency, issues relating to the regulation of market abuse ownership structures. Alessandra also provides assistance to asset management companies in relation to the marketing of investment fund shares, the analysis of the impacts of the legislation on governance, the establishment of investment funds, and the acquisition of strategic shareholdings.
