English

Alessandra has extensive experience in industrial and intellectual property law, information technology, data protection and cybersecurity. She assists leading Italian and international companies operating in various sectors, including luxury and fashion, technology, in particular software and new technologies, insurance, life sciences, including scientific research, as well as food and beverages and sports. In particular, Alessandra provides assistance in the exploitation and protection of intellectual property rights as well as technology transfer, information technology and cybersecurity, unfair competition, consumer law and e-commerce, influencer marketing, protection of image rights and advertising laws, privacy and personal data protection. She has also developed specific expertise in IP, IT and privacy assistance with reference to corporate and M&A transactions. Alessandra is an adjunct professor of commercial and marketing law at L. Bocconi University and author of academic publications.
