Energy & Infrastructures

Public Law

Languages

Italian

English

Alessia focuses on public law and provides legal assistance, both extrajudicial and judicial, to leading Italian and foreign companies, including public-owned companies, in the development of projects in the energy sector, infrastructures and in multiple regulated sectors. Over the course of her career, Alessia has dealt with public procurement, antitrust proceedings, environmental proceedings, logistics, real estate, anti-mafia proceedings and pharmaceuticals. She also worked on the assessment of administrative law aspects involved in criminal proceedings.
