English

He focuses on real estate law and provides legal assistance to leading national and international investors, asset management companies and investment funds active across the main real estate asset classes, including logistics, retail, hospitality, residential and office.

He advises on all civil law aspects relating to the various stages of investment, development, enhancement and disposal transactions involving real estate portfolios, within the most common contractual structures, including sale and purchase agreements, large-scale leases, leases of going concerns/business units, service agreements, property and facility management agreements, as well as due diligence activities.
