Energy & Infrastructures

Languages

Italian

English

French

Valentina focuses on Mergers & Acquisition, advising Italian and foreign clients in all phases of domestic or cross border extraordinary transactions (such as mergers, acquisitions, joint ventures and any other extraordinary transactions) and is particularly active in the food, infrastructure and energy sectors. She has developed a strong experience in private equity deals, both sell and buy-side, assisting clients in all phases (investment, add-on and exit) and type of transactions (leveraged buy-out, management buy-out, turnaround). Valentina provides general assistance on corporate and commercial matters.
